THIS TOO SHALL PASS AWAY

The Medley

ANNUAL
OF
DANVILLE HIGH SCHOOL

PUBLISHED EACH YEAR BY THE

SENIOR CLASS

VOLUME XXI

1924

FOREWORD

ANOTHER year has rolled by and another Medley is placed in your hands. We have endeavored to make this book complete. May you find in its pages a history of your school days, that will not only please you now, but in later life will bring back precious memories of happy hours spent at D. H. S.

John E. Wakeley

WE, the Seniors of 1924, dedicate this issue of The Medley to Mr. Wakeley. We will always think of him as a friend, adviser, and teacher who understands our petty trials, for he, too, was once a student of old D.H.S. We will always remember him as the most perfect type of clean sportsmanship and a living example of that "never say die" spirit.

Mr. Randle

Mr. Randle—what do not those two words express? They stand for a superintendent who is a friend, a friend who advises us as a father would, and a father who loves and gives of his all.

Through these four years we have come to love him and we will always cherish our thoughts of his kindly manner. He will stand out in our memories as a vital part of old D. H. S. When we take up life's burden at the cross roads, in whatever path we trod, may we ever follow the example that he has set.

Mr. Vance

We know that Mr. Vance is back of every fine thing that we do. He might be called an "unseen power." He is always ready to aid us and to give his best for Danville. What more can be said? Our "hats are off" to you, Mr. Vance.

W. C. BAER, A. B., Principal

Wabash College, Lake Forest University, Columbia University, University of Illinois.

Mr. Baer, the principal of D. H. S., is the most loyal friend to Danville of the thousands of loyal friends that it has. He with heart and soul, at all times is striving for the betterment of D. H. S. and for the attainment of higher things in all phases of the school. He is an earnest advocate of progress in educational methods and his thorough knowledge of what to do and how to do it makes him an ideal leader. He will ever remain in our memory as a symbol of all that is highest and finest in old Danville High.

The Senior Class History

The entrance of our class in the fall of 1920 marked the beginning of an important era in D. H. S. At this time, the equipment of the old school, which had held the students for more than half a century, was found to be inadequate for our large class and it was necessary to build an annex. Here we have piled hour upon hour of diligent study.

Our class, true to tradition, was as timid and reserved as freshmen always are. But this class, like all things, had power to grow and develop. It is surprising to note, with the passing of time, how sophisticated some of the members of the class have become. During our freshman year, our eyes were not attracted by the various activities of the school and study was our chief concern. As sophomores, a small number of our class began to realize opportunities for winning class honors. They were eager to build up a class spirit which would be strengthened throughout the following years. When we entered school as juniors, we had the same desire of maintaining our high scholastic standard as well as striving to win honors for D. H. S. in the athletic field. Like the old saying that the best is saved for the last, we, as seniors have proved that our career during the last year has held much of the best. We have furnished star debaters, champion track and basketball teams. Our representatives have indeed brought honor to the class and to the school.

And so, when we, the seniors of D. H. S. leave our alma mater and go into different parts of the world, we shall try to be as successful in every task we attempt as we were in keeping the standards of D. H. S. high.

It is traditional for all classes in their respective turns to attribute to themselves the distinction of being the best class that D. H. S. has ever had. We shall not, however, say that the class of '25 is better than the rest; we merely state that we feel that we are as good as any of our predecessors.

Our representatives in athletics, in literary work, in dramatics, and in fact everything in which we have had a part have upheld one splendid record from year to year.

SOPHOMORE CLASS

Dave Simon ---------- President
Bert Edwards ---------- Vice-President
Earl Burrows ---------- Secretary
Sylvia Murray ---------- Chairman of Social Committee
Mr. Roggy ---------- Class Advisor

The Sophomore class gave a party on Thursday evening, November 22, in the Washington Auditorium. About one hundred and fifty students attended. A very good program consisting of a dance by Virginia Gallegher, "The Russian Play," presented by Horace Newman, Albert Downs, and Raymond Swick, an acrobatic stunt by Jack Miley and Glen Detweiler, and reading by Mr. Roggy and Mr. Johnson was appreciated by the guests.

Following the program, dancing and games were enjoyed. Later in the evening refreshments were served. The party was a success from every standpoint.

SCHOOL LIFE

SCHOOL GIRL

September

Long and solemn lines of students filed onto the High School campus for the opening day of school. At first they seemed suppressed but gradually their spirits raised, and the High School became a tottering cage holding some thirteen hundred jabbering students. Some bore the vivid stamp of freshmen, others portrayed the role of the would-be "grad."

Much discussion was given the new teachers, and their respective courses. The first week of school brought many requests for changes in programs due to certain existing conditions.

Some sixth or seventh sense told Joe Williams and Robert Gibbons their picture was the first snap in this feature section. Oh, such manly figures.

Sarah's sprained ankle put her on crutches for a long time, but she just couldn't miss school so with Herman's help she came.

"When Knighthood was in flower," characterizes Don Baldwin. Girls, watch out for "Baldy."

Here at the bottom Lillian doesn't exactly represent her graceful dancing pose, but she dances well, even on her toes.

September

Sept. 4—First day of school.

Sept. 14—Maroon & White Election.

Sept. 26—Senior Election.

Sept. 27—Junior Election.

"Butch" is our basketball captain, but when the season was over he was often found in Leppich's back yard. Directly beneath "Butch" is his heart and Helen Leppich. Here she is is costume out in the big open spaces.

Oh what's the world without the women? Ask Harold.

In the corner we find the editor and Mary Alice saying, "I do." Mary Alice is better known as "Fussy."

Below we see that wonderful fur coat that Frank Smith says is smooth and warm to ones' cheek.

Alice, Bunny, and Martha, are all smiles for the camera.

October

Oct. 1—Capt. Johnson is in the hospital.

Oct. 4—Pep Program. Mr. Baer urged us to keep the spirit of "never say die," like Columbus did.

Oct. 12—Medley staff election.

Football is well under way and we find Coach Bob Anway spiriting-on the team that once was called the "under dog." Page Ed Neupert.

Next year, if Coach is back with us, Ed has contracted to make all his speeches for him.

Miss Stephenson, a qualified running mate for one of our other English instructors, Miss Stuckey. They are never apart, except when Miss Stuckey goes to Chicago to see her "mother" who lives in Galesburg and then Miss Stephenson goes to Champaign to see her "three brothers" who also are living in Galesburg.

This is a problem besides a mystery.

Miss Six became popular as director of our Dramatic Club play and Senior play.

Carl and Glen are always together except when Glen can't get a date.

October

Oct. 15—Intensive fire drills.

Oct. 16—Call for Cross-country runners.

Oct. 26—Miss Stuckey bobbed her hair, but we never knew her just the same!

Oct. 31—Hallowe'en is here.

Archie Johnson was captain of our football team but received injuries in the first game which kept him out for the rest of the season.

"Smock", alias James Arnholt was the acting captain.

"Jim" shows an excellent taste for Latin in returning to Latin class again this semester.

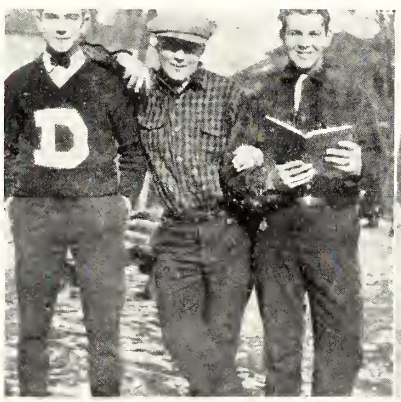
"Cotton", alias Melvin Whitlock, will be the captain next year and it seems the duty of the entire school to prevent any mobbing or rioting of "Cotton" by the girls.

Melvin broke the State Javelin record this year.

Next to the three football players is Lee Gulick, a quiet and unassuming fellow but very brilliant.

Elmer Rader and Herman Smith have developed quite a friendship due to their meetings at Leppich's. Joe Gulick expects to conquer Wall Street some day by cornering the blue shirt market.

Don Sink is going to be married this next summer. The girls should remember this.



November

Nov. 15—Rooters Club meet.

Nov. 16—"Beat" Joliet program. Junior-Senior weiner roast.

Nov. 26—Wrangler election.

Nov. 28—Thanksgiving program.

Mr. Trulock came to us at a time, when everyone regretted the loss of Mr. Barton. He was very quiet but made his debut at the Senior party in a one horse (Guy Freeman) Act entitled Paul Revere.

Marsonne goes to Chicago University with the most envious record in D. H. S.

George Doney is the proud possessor of "Mary's Millions."

Emmet Newman has become the accomplished Frenchman due to his numerous appearances on the stage.

In the corner is Miss Barton who talks so much about the human body.

Kate Fox will be remembered for her flashing eyes and black hair.

Gladys Wellman must spend hours in fixing her hair. It always looks so well.

November

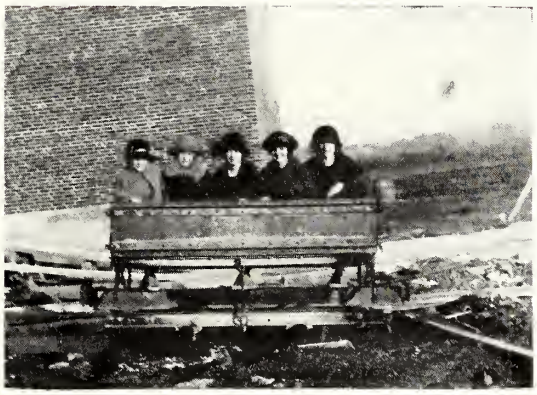
"Nubbins" Terry and A. C. Tengen are the tools of "The Red Imps" with a pitch fork when it comes to scandal. For example, some of their most revealing works are Gene Beaver and Alice Tilton, Frances Brown's notes to Archie, Frank Stellner and Margaret Anderson. If you don't know or haven't heard, ask them.

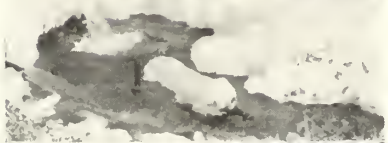
Jack Miley is a real artist at gymnastics.

Jack does his stuff at programs, pep meetings and games. He turns and twists until we sometimes wonder if he will ever come out of the "kinks." He and "Chuck" Forshier gave several "stunts" and tumbling acts at the different parties this last winter.

Billy Marshall is Danville High's youngest Sheik. That smile and curly hair would make a "Gold Digger" forget her art.

Rufus, William's brother, is back with us again from the South.





December

Dec. 3—Debate tryouts. Record crowd.

Dec. 6—Red Cross drive.

Dec. 7—"Butch" Smith elected football captain.

Dec. 10—Finals in debate tryouts. Competition close.

Margaret and Caroline always talk about their out of town men. "Dick" and Joe posed for this picture as you can tell it is effected.

Reva sings for us in her spare time. It is rumored that she and Joe Williams are very good friends. It is a known fact that Joe is always lending her his pencil in English class.

For particulars see Miss Stuckey.

These boys with skates were the bright lights for the numerous coasting and skating parties given by the High School. Teachers were in great demand as chaperones. Queer, isn't it?

December

Dec. 12—Christmas fund drive.

Dec. 20—Contributions taken for Children's Home.

Dec. 21—Record breaking crowd for homecoming.

Joe Morrissey was a loyal D. H. S. supporter, and boosted ticket sales for us.

Joe was one of the "Dirty Five" who went to South Bend. We understand that Joe Williams and Bob Gibbons also made the journey. They were chaperoned by Don Baldwin. "Hank" Smith acted as the chauffeur.

Frank Stellner, behind him, seemed to make a practice of getting in almost every picture.

Miss Lennards made the leap for the barber shop to get her hair bobbed. A large number of the students and several male members of the faculty watched the execution. When the first locks fell Miss Leonards had tears in her eyes as large as marbles. Our dear friend Miss Sandeson has made the statement that she soon will do likewise.

Mr. File, upon consulting higher authority than himself, agreed to this picture. Nice of Mrs. File, wasn't it?

January

Jan. 3—Big snow.

Jan. 4—Danville-Urbana basketball game. Danville won 20-18.

Jan. 11—Wranglers give clever program.

Jan. 16—The Medley advertising agents meet.

Jan. 17—Last day of semester.

Mr. Peterson criticizes the feminine sex for their frank open speech. But really how could a woman appear otherwise to a man so immaculate in dress and polished in manners. Surely, his ancestors came over in the Mayflower.

Thamar Martin with Freda Schwartz, who can play that old lung tester, the cheer song, on the piano.

Miss Payne in a simple creation of her own. Oh what a noble soul.

Three little sailor girls that attended the girls' conference at Geneva.

It seems that Minnie Foehrer and Elizabeth Turnell are battling for Arlie Baker.

Here's hope that they don't leave Arlie a heart-broken wreck thru some intricate scheme of love.

January

Jan. 25—Exams are over. All calm, once again, on the Potomac.

Jan. 28—Lots of new Freshmen.

Jan. 31—Band gives program.

Dorothy Thornton, who possesses the gift of gab, seems utterly disgusted. That is all right "Dode", Dick will probably call you up for a date when this other girl leaves for Chicago.

Fair-weather Tilton seems to be at his best at all times. He looms as a possible rival to Charles De Roche in Hollywood.

"Gee" Terry is the picture of innocence and very pretty. Her only fault is restlessness.

Claudia does a lot of talking to Carl Schroeder but she can hardly be blamed since all the girls do. We understand Esther has a friend at Beloit College.

Claudia is known for her quietness, yet she has a bright and happy smile for everyone.

February

Feb. 1—Girls' Club Kid Party. Capt. Hohn spoke at noon on the World War and Armenia.
Feb. 6—Wilson Memorial program.
Feb. 7—Debaters give a fine program.
Feb. 8—Program for Debate with Urbana and basketball with Paris.
Feb. 12—Track candidates meet Mr. Anway.
Feb. 13—Seniors elect Mr. Wakeley as class advisor.
Feb. 13—Girls' Club Cabinet meeting and banquet at Y. W. C. A.

This little girl you all know; years make a great difference.

He looks like Socrates, and his creed is an apple a day.

Miss Payne's Faithfuls as they appeared at the Geneva Girls' Club Conference.

Minnie is certainly stunning in her knickers.

The little girl on the pier is our assistant editor. She is a wonder. If you do not believe it, you must ask Arlie Baker who is better known as "Fog Horn."

February

Feb. 14—St. Valentine and Leap Year. Good combination.

Feb. 15—Medley subscriptions are taken.

Feb. 21—Washington - Lincoln speech by Rev. Ewing.

Feb. 22—Basketball tournament.

Charles Handley rules the band with his baton, and we are all proud of him.

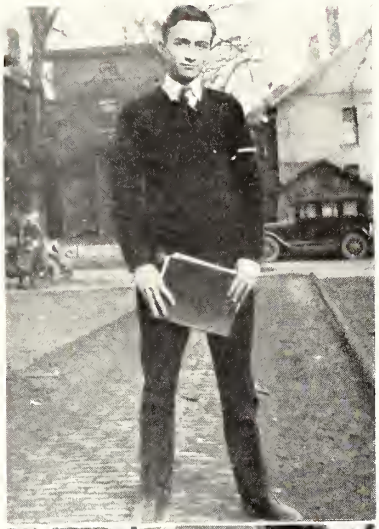
Miss Foley always has a smile for us.

Miss Copley prefers the side view, and she is right as it shows a gorgeous wealth of brown hair, a well defined nose and chin that a "lawyer" would never question.

Margaret A., Minnie and Margaret H. are for "The Girls' Club" one hundred per cent.

They sell candy in the lower hall. They are always active in High School work.

The boys at the bottom have been concentrating their minds and efforts for a complete athletic field at our new high school.



March

Mr. Baer, "the Grand Old Man" of a number of Medley's is seen here with the customary smile. He is looking forward constantly to the betterment of D. H. S.

Mr. Barton and Mr. Roggy have shared their troubles and sorrows together and have congratulated each other upon being woman-proof. But the "scandal squad" has found out that Mr. Barton frequently visited Oakwood Township H. S. and also that Miss Welch knows more about Mr. Roggy than anyone at present has found out. Ask her.

Mr. Stephens, "Big Joe"; meet him face to face. A former U. of C. freshman varsity man. Instructor in Chemistry and very popular among D. H. S. students. We also have seen "Dear Joey's" wife.

These ladies have also succumbed and left their locks at the Palace. Miss Parker (and her eats) are well known to the faculty. Miss Larson is the sentinel in the lower hall. She's little, but shes' mighty!

March

Hats off!!! Students, Miss Stuckey descends from somewhere to instruct in the English courses.

The sweetest disposition in the world but Miss Stephenson says if the eggs are cold of a morning she raises the worst fuss. Galesburg certainly gave a sacrifice this year in Miss Stephenson and Miss Stuckey.

Miss Potter is sure a cunning lass. Her eyes sparkle like so many diamonds. If you don't believe it ask Mr. C. O. Johnson.

By the way, Miss Hendryx has several enlarged photographs of herself. Who is the lucky man?

We are proud to say that Miss Fuller has been doing charity work, particularly on the evening of April 21. On that night of nights she also made a special study of real estate.

We wonder why all the little boys hang around A-1?

You want to get in good with Miss Hendryx. She lives on a ranch out west.

Miss Fuller is a well known spiritualist. Ask her Latin 8 class.

Miss Copely is a fresh air fan, especially Sunday morning.

April

Charles Handley is a mighty band leader, and a wonder in the half mile. He certainly has the "Never Die Spirit." We are indeed sorry that he was injured while acting as an official in "The Inter-class Track Meet."

"Would that I were a Victrola," Helen Irwin.

Mr. Johnson ("Johnnie") is looking for a partner of the opposite sex. One who will enjoy long rides in his "Tin Lizzie." We wish him well. His landlady named him well, when she called him, "A Home Lover."

Miss Payne and O'meta O'Connell on the lake. My, how the gossip flew.

"Now, Charlie says—"

Mr. Johnson makes excellent coffee. (Science Club picnics).

This is the beginning of Miss Payne's movie career. Here we see her calling directions to the camera man.

How does Ometa make such wonderful grades?

April

Two model girls. But they are loyal to old D. H. S.

One is meek, the other is not. We might call them Miss Day and Miss Night. My! how they love to linger in Mr. Stephens' and Mr. Johnson's classes.

A Medley staff girlie, and an alternate on the debate team.

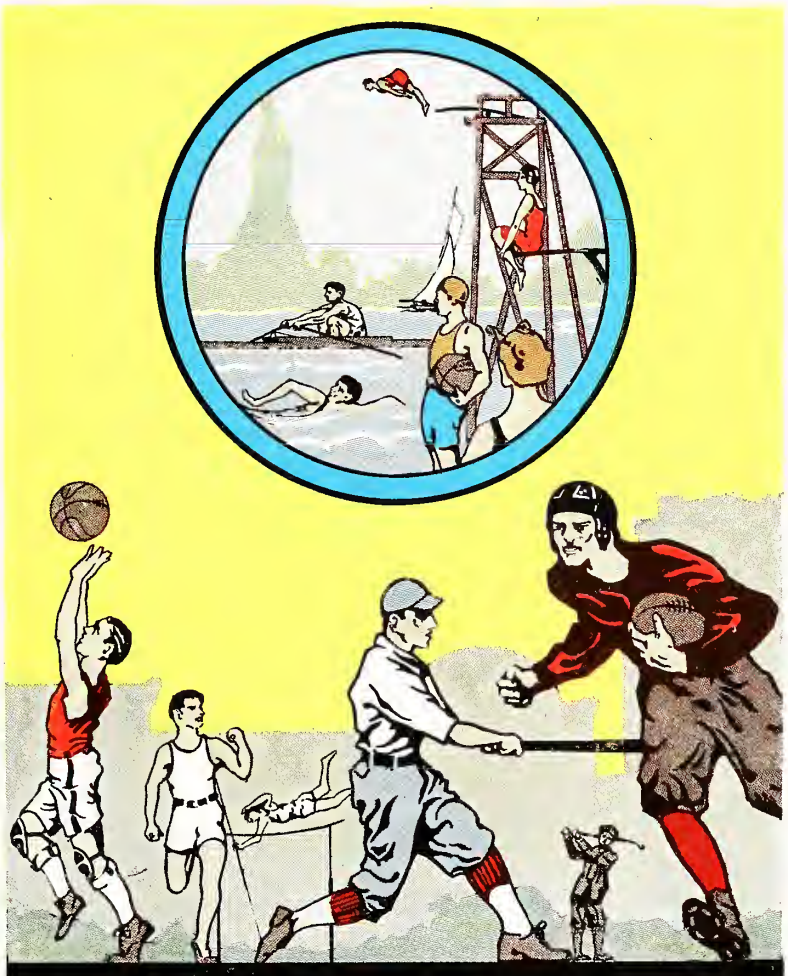
The "Skippers."

If we were only boys!

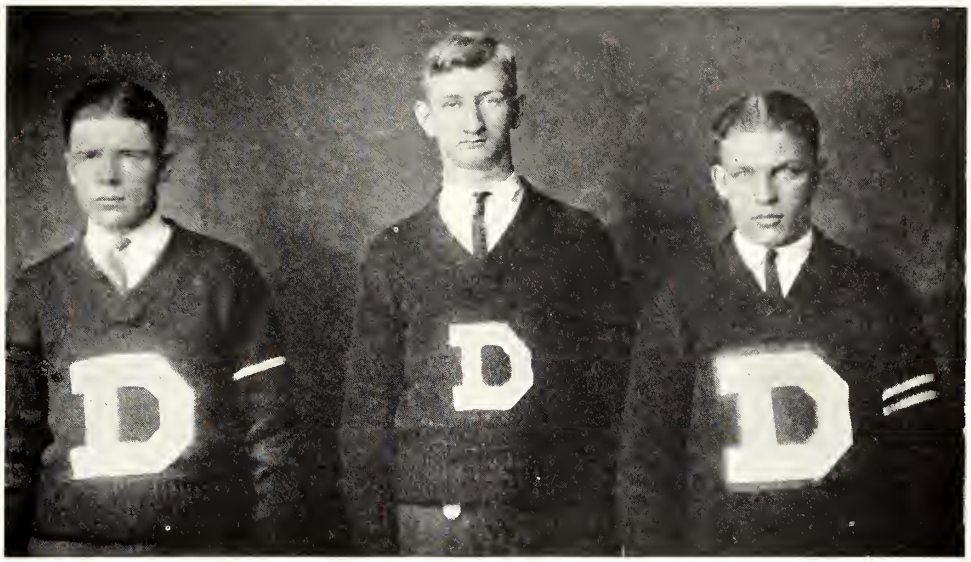
Dorothy is the champion gum puller and hot dog eater in school. She gives lessons at cheap rates. Helen is the girl with the giggles.

Dorothy is one of the "kandy kids" in the lower hall. How can Margery cry so naturally?

In the Wake of The Baers



ATHLETICS



The "D" Association

The "D" Association of Danville High School is an organization composed of all the men in High School who have won letters in the different branches of athletics. Its purpose is to place the highest possible value on D's given players of Danville High School. The members have done much to increase the spirit in the players throughout the school. They stand for clean sportsmanship and better athletics. With the facilities of the present building this organization is to be complimented for its splendid work. With the new building next year better things can be expected.

COACH ANWAY

Coach Anway made his appearance this year as athletic director of our High School. Mr. Anway had a hard place to fill coming here after the work of Coach Thompson. During the first part of the season it was difficult for him to swing the boys into line, but after he had been with them a few weeks they began to see "system" in his work. They began to realize that the big thing after all was team work, and as a result the entire football season was a success. The boys on the basketball squad and the fellows on the track team fought with that "Never Say Die Spirit" which, due to Coach Anway's slogan "Keep yourselves clean, and never say can't," made them winners.

Anway always told the boys to come clean and do the right thing. Might does not make right, but might backed by right is irresistible and will always triumph in the end.

CAPTAIN JOHNSON

Captain Archibald Johnson, though not active as a player due to an injury received in the first game, was a great help to the team. His injury was a great loss to the team, but his fighting spirit inspired the boys to victory.

Football Season

This year Danville had a very successful football season. The Baers won six games, lost two and tied one. There were eight letter men back from the previous year, and these men made the nucleus for this year's team. The team showed the best form during the latter part of the season as they won the last four games by good scores.

The boys had to learn a new style of play as Mr. Anway was a new coach. However, after they mastered the new style, they showed that they could play football.

BAERS VS. ALUMNI

In the initial contest on Saturday, September 29, we were defeated by the Alumni by a score of 6-0. Although the team was beaten, the experience gained proved valuable in the forthcoming games. The most serious loss to the school was the injury to Capt. Johnson. It kept him from playing the rest of the season.

DANVILLE AT HOOPESTON

On October 6, our boys journeyed to Hoopeston to play the first scheduled game. The Hoopeston players were primed for their hardest game of the season. They started off with a whirlwind attack, scored a touchdown and kicked goal a minute later. The Maroons seemed somewhat dazzled and made many fumbles. After the start of the second half, Whitlock intercepted a forward pass and ran through a broken field for a touchdown. Whitlock kicked goal. The game ended with the score 7-7.

DANVILLE AT SPRINGFIELD

On October 13, the team journeyed to the capital city where they were defeated in a hard fought battle 7-0. The game was played in a drizzling rain, and the field was a sea of mud. Springfield held the advantage in avoirdupois, but Danville held their own throughout the game except for a few minutes in the third quarter, when Carns scored the only touchdown of the game. Baldwin, Whitlock, and McIntosh starred for Danville.

MILFORD AT DANVILLE

On October 20, Danville scored a decisive victory over Milford, the score being 37-6. Milford did not have a fighting chance. Their only score came in the last quarter via the forward pass route. For Danville, Baldwin scored 2 touchdowns, Martin 1, Sink 1, Gulick 1, Whitlock 1.

DANVILLE AT URBANA

On October 27, the team went to Urbana and displayed that "Never say Die" spirit. The game was one of the most exciting ever witnessed on Urbana's field. Danville started off and scored a touchdown adding another point by kicking goal. Urbana came back strong and scored three touchdowns in a row but failed to kick any goals. With the score very much against them, the boys opened up with a forward pass attack which completely swept Urbana off their feet, scoring two touchdowns. One of the goals was kicked. The game ended 20-18. Douthit and Kirby were the stars for Urbana, and Whitlock and Sink for Danville.

DECATUR AT DANVILLE

On November 10, Decatur invaded Danville for the first time in many years, and defeated our boys in a hard fought battle. The game was by far the most exciting seen at Danville this year. Whitlock scored Danville's lone touchdown, after Harper had blocked Lanum's punt, and added the extra point by a kick a minute later. Lanum made Decatur's touchdown in the third quarter and kicked goal. In the final minutes of the game Lanum made a drop kick from the 36 yard line. The game ended with both teams fighting hard and Decatur the victor by the score of 10 to 7.

JOLIET AT DANVILLE

On November 17, Danville revenged the defeat of 1922 by defeating Joliet by a score of 33 to 7. In this game the M. and W. warriors displayed a real brand of football. The blocking and tackling were marvelous. Danville scored almost at will. Long runs by Whitlock and Martin featured the game. Joliet's lone touchdown was the result of a forward pass. Old "Mac" was as usual in good form. He was the tower of strength on offense and defense.

GEORGETOWN AT DANVILLE

On November 24, the M. and W. trampled on our old rival, Georgetown, for the first time in three years by a score of 40 to 0. The victory

was a decisive one. Georgetown displayed their old fighting spirit, but were unable to cope with the aggressiveness and the alertness of the Danville team. Tilton, Arnholt, and Whitlock starred for Danville. The victory reaped its toll, however, because Whitlock's shoulder was broken.

KANKAKEE AT DANVILLE

In the annual Turkey Day clash, Danville defeated Kankakee 21 to 0. The game was played on a wet field, and fumbles were frequent. Danville outplayed the lads from the "Crazy City." The absence of "Cotton" Whitlock was noticeable, but not costly. Harper, Gibbons, Rader and Collignon played good games for Danville.

CAPTAIN SMITH

Herman Smith's attitude and aggressive spirit made him a successful captain. He was aggressive in both offense and defense and not only this, but he fought to the last whistle. His only thought was for the welfare of the team.

Basket Ball

When the call was issued for the basketball team this year it was found that only three letter men were left from last year's team, but there was a great deal of good material in the other men who answered the call.

Coach Anway set to work and with the three letter men as a nucleus to build around, soon had a team any school would be proud of.

The team had the fight which is characteristic of all D. H. S. teams and came back in several games to win when it looked as if the other team would be an easy victor.

The best game of the season, no doubt was the Urbana game. At the end of the half the score was 11 to 3 in Urbana's favor, but our team came back and defeated them by a score of 18 to 20.

In the County tournament we won the first game but were defeated by Hoopeston by a score of 19 to 23 in one of the best games of the tournament. Hoopeston later won the tournament.

In the district tournament our first game was with Westville, the score was a tie at the end of the game, but Westville managed to make another basket in the five minutes over time and we were defeated by a score of 17 to 19. This was one of the hardest fought and cleanest games in the tournament.

The season, on the whole, was a success, our team winning half and losing half the games.

BASKET BALL

GEORGETOWN VS. DANVILLE

Before a large Homecoming crowd on December 21, Danville defeated Georgetown 37 to 14. The Baers showed good form for so early in the season. Gibbons was the star of the game with seven field goals.

URBANA AT DANVILLE

On January 4, Danville again managed to keep her slate clean in a hard fought game with the lads from the Twin City. At the end of the first half it looked as if Urbana would win as they led by a score of 11 to 4. However, the boys got "hot," and when the final whistle blew Danville had won 20 to 18. Stellner did good work for the Baers.

VILLA GROVE AT DANVILLE

Danville's first loss of the season was to Villa Grove, last year's State Champions, by a score of 15 to 14. This contest was hard fought throughout, and the outcome was always in doubt. Gibbons was high point man for Danville with 8 points.

HENNING AT DANVILLE

Danville broke their old time jinx with Henning by defeating the "Cornhuskers" 26 to 15 in a slow game. Gulick got 7 points for the "Maroons."

HOOPESTON AT DANVILLE

On the first of February the boys from the Holy City defeated Danville by a score of 35 to 11. It seemed as if the "Maroons" had gone into a slump as they could not stop the fast Hoopeston offense. T. Hall starred for the winners. Gibbons was off the line-up due to sickness. His absence was noticed very much. Baldwin played a good game for the Baers.

PARIS AT DANVILLE

Danville still seemed to be in a slump and lost a slow game to Paris by a score of 19 to 12. Captain Smith played a good game for the "Maroons," while Tolliver starred for the visitors.

DANVILLE AT URBANA

The Baers were overwhelmed by the fast Urbana quintet on February 15 by a score of 37 to 11. Danville's defense could not seem to work together and Urbana could score at will. Douthit and Seward starred for Urbana while Rader played a steller game for "Maroons."

DANVILLE AT PARIS

The Baers ended their regular schedule by avenging their former defeat by Paris. The final outcome was 15 to 11. Danville played some of her substitutes in the second half. "Maroons" showed much better form than in the Urbana game.

CAPTAIN SWALLOW

Richard Swallow was an ideal and competent leader for the track squad. He worked hard and showed ability as a quarter-miler and a runner on the relay team. He trained consistently and gave his best at all times for old D. H. S. He maintained a high scholastic record as well as being a sure point winner at every meet.

THE SEASON

The team last year was one of the best that has ever been turned out by Danville High School. From the start of the season they had every advantage, including coaching and material. In all the meets in which they were entered they were always a dangerous contender.

The track team this year shows every indication of another successful season. Captain Swallow will be ably backed by six other letter men and several D. R. men. When the call was issued, sixty men reported for practice; and out of this number a wonderful team should be developed.

1923
The Vermilion County Track and Field Meet

Danville had very little trouble winning the Annual Vermilion County Track and Field Meet with a total of 52 points, placing in every event except the 100 yard dash, an accomplishment of but few track teams. Hoopeston was second with 24 points, being hard pressed by Ridgefarm, with 23 points.

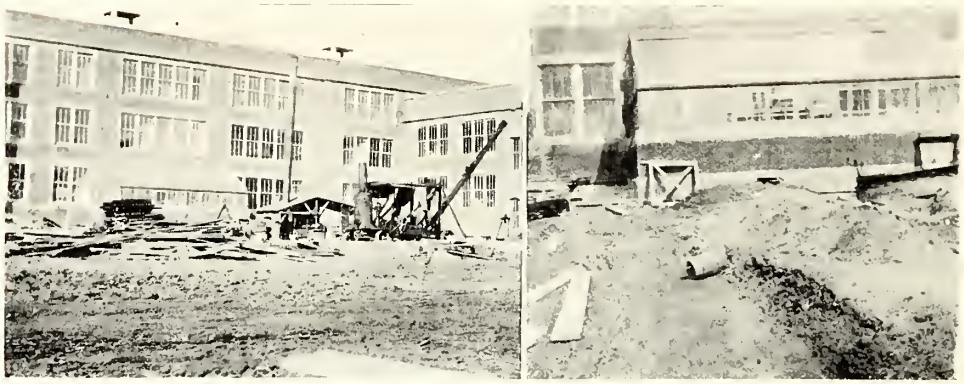
A record was set in the javelin, this being the first time the event had been held in a county meet. Melvin Whitlock set the mark at 157 feet, 3 inches for future athletes to shoot at. A record was also made in the pole vault when Hall and Tyler, both of Hoopeston, went over the bar at the height of 10 feet, $10\frac{3}{4}$ inches, the previous record being 10 feet, 10 inches.

In the relay race which every one was expecting Danville to win with a new record, there was a disappointment. Instructions had not been clearly understood when the race was started, and not knowing the course of the track, one of our boys, while leading the field by a distance of some twenty yards, got off the track. Recovering himself rapidly, he made a desperate effort to regain the lost ground. He did regain some of it, and Miethe, taking up the race, regained considerable more; but the handicap was too much to overcome in the distance to be run, and the race was lost. Hoopeston placed first, and Westville took second. Had there been a few yards more to run, Miethe would have passed his man, for he was rapidly closing the gap between him and the man finishing first.

The weather conditions made it impossible to hold the meet on the regular track in front of the grandstand, and a track was laid out on the cinders between the exposition building and the grandstand.

The standing of the various schools was as follows:

Danville, 52; Hoopeston, 24; Ridgefarm, 23; Westville, 13; Sidell, 9; Indianola, 6; Rossville, 6; Georgetown, 6; Catlin, 2; Oakwood, 2.



The Tiger Meet 1923

In this meet Danville was nosed out of first place by one point. Wiley High of Terre Haute was first with 31 points and Danville second with 30 points. However, though losing the meet, our relay team composed of Baldwin, Swallow, Brazelton, and Meithe took first place in one of the most exciting races ever witnessed on the Paris track. While doing so, they established a new Tiger Track record of 3 minutes 41 2-5 seconds.

The Charleston Meet

In this meet the team was not so successful, due to the injury of Baldwin, tying with Urbana for third place. The relay team came through, however, with flying colors, taking first place for the second time in as many meets.

The State Meet

This year Danville scored more points than they have ever scored before. Carson and Whitlock were the stars at this meet, Whitlock taking first in the javelin and second in the pole vault. Carson placed in the broad jump and the high jump.

Inter-Class Track Meet 1924

The class track meet was held at the I. & I. Fair Grounds on April 16. The officials were members of the Varsity track squad, and they ran the meet in a splendid manner. Captain Morrissey, of the Seniors was high point man, scoring 15 points.

The result was in doubt until the very end, when the Seniors were found to be the victors.

The Seniors also won the relay race.

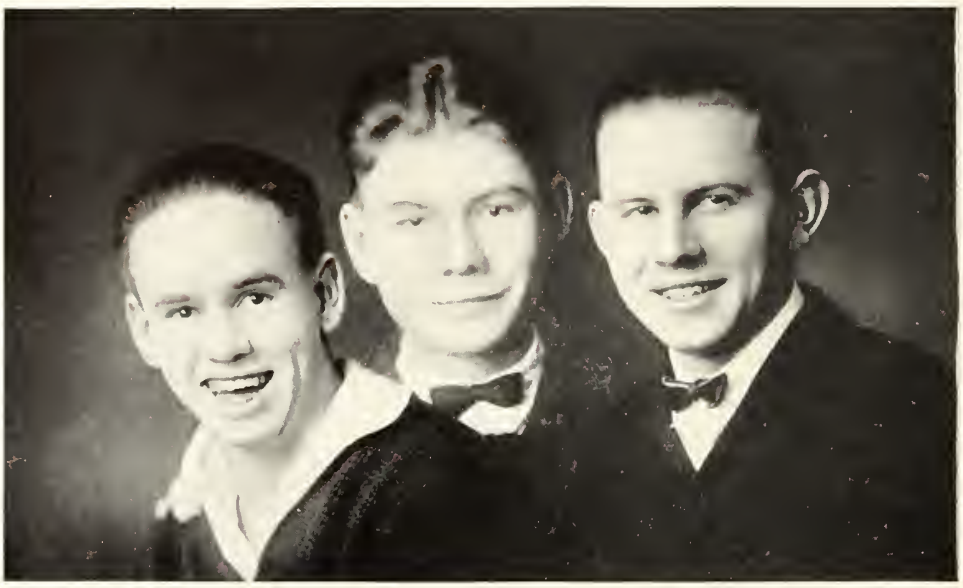
Cross Country Team

About twenty men answered the call last September for the Cross Country Team. They trained hard under Captain Frank Stellner and were very successful in their two meets.

The first was a dual meet with Champaign in which they were defeated by the close score of 27 to 28.

The second meet was the Y. M. C. A. five mile road race on Thanksgiving Day. They were successful in this event, Stellner taking first, Handley, second and Jewell third.



Jack Miley, John Seymour, Bert Edwards

Cheer Leaders

The trio of cheer leaders, this year, has done more to help Danville High School have a successful football and basketball season than any other three people in the school. The cheer leaders have undoubtedly raised our score in many a game, (indirectly, of course).

John Seymour has unusual ability to lead and direct the yells. This is Johnny's last year with us. D. H. S. will miss him very much.

Jack Miley is a born cheer leader. He is over-bubbling with pep and energy. He is one of the best acrobats in the school. Everyone is glad that "Little Jack" will be with us for three more years.

Bert Edwards arouses every bit of enthusiasm that a crowd has. He puts lots of pep in the yells. Bert not only leads cheers well but he is also an excellent ticket salesman. He set the record of selling an average of 146 tickets at every home basketball game throughout the season. Bert is one of the most loyal students in the school.

Each cheer leader received a "D" for his services, and they were very deserving of this token.

Boys' Athletic Association

Athletics in D. H. S. are now on a par with other high schools of our size. If we compare the results of this season's work with that of other large high schools of the state, we have had better luck than they have had in certain branches. We are thankful for what Mr. Baer has done for us by scheduling games with large high schools, for it makes the boys feel as if Danville can offer them as much in the athletic line as any school in the state.

Inez Jameson, Pianist; Sylvia Ball, Cheer Leader; Minnie Foehrer, President. Margaret Hahn, Treasurer; Margaret Agan, Secretary; Elizabeth Turnell, Vice-Pres.

The Girls' Student Club

The Girls' Student Club extends membership to every girl in school. In this, its nineteenth year, there were about six hundred members, with an average attendance at meetings of between two and three hundred. The club is affiliated with the Girl Reserve department of the Y. W. C. A. and besides five faculty advisors, Miss Lundien, Girl Reserve secretary, has given much assistance to the club work.

Last summer, Minnie Foehrer, Alice Tilton, Ometa O'Connell and Elizabeth Turnell, chaperoned by Miss Payne were sent to Green Lake, Wisconsin, to the Girl Reserve Camp. Danville High School Girls' Club is given credit for being one of the largest and best clubs in the United States.

Especial mention should be made of the work of the social service committee, which renders a very real service. They are interested in several high school girls in the sanitarium at Springfield, having sent them magazines and flowers throughout the year. They gave a Christmas party for one hundred school children of Danville, furnishing many of them with new shoes, coats, and suits. They also assisted in the sale of apple blossoms in the spring for crippled children. The Girls' Club is very proud of their work.

The social committee has also had a large part in making this a successful year, giving a Hallowe'en party, a kid party, a colonial party, and a spring picnic, besides two cabinet banquets at the "Y"" Elizabeth Ruda and Mary Jane Alberts were elected to fill vacancies in this committee. Miss Lillian Lennards was chosen advisor for the financial committee, due to the illness of Miss Roach.

Affirmative Debating Team

In its eleventh annual debate with Urbana, and first under the auspices of the State League, Danville sent an exceptionally strong team to Urbana. The decision of one to two is no measure of its strength and effectiveness. Speaking for a three year prohibition of immigration, Glen Smith opened the case by showing the racial problems involved. His smooth polished delivery made this piece of expository work very effective, and a better candidate could not have been selected for first speaker. Harold McCray presented a well delivered and well worked out treatment of the economic phase. Although this was ground for negative contention he was clearly master of the field. Herman McCray treated the assimilation issue. He has demonstrated often and conclusively his versatility as a speaker. He was a desirable third speaker—one who has convincing sincerity and ability to think quickly. Unfortunately, all are Seniors.

Seth Jewell, Charles Ross, Richard Tyson, Mr. W. B. Barton

Negative Debating Team

On February 8, before a large audience in the D. H. S. assembly room the negative team showed that it would be an unwise policy for immigration into the U. S. to be prohibited for a period of three years. A unanimous verdict by the judges gives them the opportunity of representing Danville in the next debate this year under the League. Danville will be represented by a strong team in the elimination contest. Charles Ross, the first speaker for the negative and the last for rebuttal, was effective and forceful. He won attention by his argument as well as by his manner of presentation. Richard Tyson, whose ease on the platform was quite an asset, was both pleasing and convincing. Seth Jewell added to the interest the team commanded by his splendid diction as well as by his quiet but direct style. The team was composed of Juniors who fortunately will be able again to do good work for Danville next year.

Wrangler's Club

After the election of officers in November, Wranglers started its thirteenth year trying to pick out some of the talent of the school to serve. An assembly program was given in the form of a pep program before the Vermilion Grove basketball game. This gave those who usually speak a chance to rest and to see themselves as other people see them. A start was made this year toward inter-class debating. The debates were held in the annex rather than at a meeting of the members. The important social function was the annual banquet given in honor of the debaters.

Wranglers is an honorary society of the representatives in debating, oratory, declamation and extempore speaking, as well as a club for those who wish to develop themselves in that work. It has successfully served both purposes. With a new High School building next year the organization ought to be larger and more effective.

The Science Club

A very interesting page has been added to the history of the Science Club this year. The membership has reached a grand total of ninety-five, and through the hearty co-operation of the members and the untiring efforts of the advisors the programs have been entertaining as well as educational. Those who were present at the parties declared them the best school parties they had ever attended. The meetings were held in room four on every other Thursday and one field trip was taken each month. These trips were taken to local factories or shops; and everyone found it worth his time to attend. The Science Club also contributed to the Christmas Seals' Fund. Anyone might well be proud of a membership in this organization.

The D. H. S. Band

Boards of Education and school principals throughout the state, are beginning to realize that one of the greatest institutions that a high school can have is a band. Many school men in the state have informed us that we have one of the best bands in the state. At present the band consists of thirty-eight pieces. It might well be called one of the greatest advertising mediums of our high school. It spurs the boys on to victory in all athletic contests. It instills real school spirit into the students on "Pep Days" in the assembly. Charles Handley deserves a great deal of credit as assistant band leader. He is a cornetist of rare ability, and a leader with a personality. After Mr. McKinney resigned, we were fortunate in securing the services of Mr. Glover as band director. He is a musician clear through, and his experience as director of military bands makes it possible for him to command the greatest respect from the members of the band.

Girls' Glee Club

The Glee Club has enjoyed another successful year under the direction of Miss Ruth Guy.

At the beginning of the year, the number was increased from a semi-chorus to a full chorus. It also organized and elected the following officers: Lois Moore, President; Miriam Courtney, Secretary; and Roberta Songer, Librarian.

At the homecoming program, the Glee Club made its first public appearance; and since then it has assisted in various programs and concerts. A great deal of interest has been shown in the work throughout the year.

The Orchestra

This year marks the first year for D. H. S. having a successful Concert Orchestra. They made their first public appearance at the graduating exercises which were held in the Washington School for the nurses of the St. Elizabeth Hospital. Next, they played for the Homecoming program under the direction of the assistant director, Charles Handley. They played for the eighth grade commencement exercises in January. They have played for the Girls' Club annual entertainment, the Dramatic Club Play and the Senior Play. With the equipment of the new building next fall, wonders in music should be accomplished in Danville High School.

Carl Schroeder, Isaac Moore, John Seymour
Elizabeth Turnell, Carolyn Stuebe, Miss Six, Georgia Doney

The Dramatic Club

The Dramatic Club, formerly the Athedarians, was reorganized in 1922 as the D. H. S. Players, with Mr. Barton as advisor. The spring play of 1923, the "New Co-ed," was a decided success as was the banquet given by the club.

This year the club was organized with Miss Six and Miss Hawkins as advisors. Tryouts were held early in the year, and several new members were added to take the places of those who left last year. Dramatic ability and scholastic standing were the qualifications necessary. Much interest is shown both by the old and new members. The club is very active and is planning several small plays as well as the big spring play. Next year the members should be more active and more interested because they will have the facilities of the new Danville High School. If the co-operation of both advisors and officers next year is as good as this year, we feel certain that the D. H. S. Players will hold a very important place in the annals of Danville High.

The Treasury Staff

It was in 1914 that accounting of all funds of the various high school organizations was given over to the Treasury Staff. The staff this year consists of a faculty auditor and four student assistants chosen from the advanced bookkeeping classes.

Just as in any well regulated business office a set of books is kept for each school department. The work includes collecting dues, writing receipts, issuing checks, selling tickets, banking, filing of vouchers and making financial statements.

When it is considered that there are four classes, ten organizations, the sale of text books, and that over six thousand dollars was handled through the office this year, it will be realized that accuracy and careful workers are necessary and that their work is of the utmost importance.

1923 Activities

The Literary Activities in May, 1923, again showed the interest Danville always has in the Spring Literary Contests. D. H. S. has quite a reputation in this portion of Illinois for the strength of her literary representatives and it is quite an honor to be chosen.

Following the successful District meet held in April, the County contest was held May 12 at the Washington Auditorium. Danville received the lion's share. John Connelly, with the subject "Lincoln" tied for first with Sidell in oratory and Herman McCray placed second with the oration "Citizens of Tomorrow." Abe Simon received second place in extempore. Marie Crawford, in declamation, and the Girls' Glee Club had to yield to others.

Two representatives were sent to the Eastern Illinois contest at Charleston May 5. Marjorie Osborne represented the school in Declamation and Leroy Linne in Oration with DeQuincy's "The Martyrdom of Joan of Arc." Danville was very fortunate in having Marjorie Osborne receive the gold medal with her declamation "The Man and the Song."

HUMOR

Counterfeit Perhaps

"We sell stamps with a smile," says a drug store ad.

George looks pretty sober on all the stamps we've ever seen.

George Harper—"Say, I'm so hard I play tiddle-de-winks with man-hole covers."

Sylvia Ball—"That's nothing, I'm so hard that when I go to sleep I have to leave one eye open to keep from beating myself to death."

Neighbor—"So you have rented a studio apartment?"

Mr. Brown—"Yes, Frances insists on a room with a north light when she uses her rouge and lip stick."

* * * *

"G-Good heavens, Archibald, this second hand car is a wreck."

Mr. Johnson—"Y-Yes, and the worst of it is that the dealer said it would last for years."

* * * *

Fred Hartz—"Can't we make Lee jealous, Cassy?"

Katherine Cass—"O! yes, Fred, I think we can if we put our heads together."

* * * *

"That's very singular, sir," said Helen Thompson when he kissed her.

Cotton W.—"Well, we'll make it plural."

* * * *

"So I see, William, you have a mustache."

Bill Thompson—"Oh yes, Glen, I have to be a Will-o' the Wisp."

One day "Butch" was out hunting. During the day a rain storm came up. In order to keep dry he crawled into a hollow log. When the rain began to fall the log began to swell and poor "Butch" could move neither way. He thought his end had come and so thought of all the wrongs he had done. When he thought that he had not paid his Medley subscription, he felt so small he crawled right out of the log without difficulty.

Joe Meitzler—"Wouldn't you love to gaze on Niagara forever?"

Eugenia Terry—"Oh! no, I shouldn't like to have a cataract always in my eye." (Not much response there).

John Leonard—"Doctor, what do you think is the cause of this frequent rush of blood to my head?"

Doctor—"Oh, it's nothing but an effort of nature. Nature, you know, abhors a vacuum."

Joe Meitzler—"C'mon—I am going to kiss you."

E. Terry—"I have no use for a man who wastes his opportunities."

He—"When I was young and foolish."

Roberta Songer—"O! dear let's not talk of the past."

WHAT IS THE YOUNG MEN'S CHRISTIAN ASSOCIATION?

It is a high-grade, low-cost Young Men's club—Christian, but not sectarian.

Its fellowship, club rooms, gymnasium, swimming pool, classes and all other practical advantages are open to all young men, of all faiths or of no faith.

It is not an experiment, but is the survivor of many experiments, while other young men's organizations, social, athletic, educational, ethical, and even religious have failed, this has succeeded and is now in successful operation in over eight thousand places in North America and throughout the world.

Putting Money In Your Own Pocket

THIS is what you do when you patronize home institutions. Money thus spent is kept in circulation—the balance of trade is in your favor. All things being equal, there is no reason for sending your money away from home.

Here is a case in point. This company is owned by Danville people and operated by Danville labor. They are property holders and taxpayers.

And above that fact, there is an acknowledged superiority in Danville gasoline which brings a constant stream of motor vehicles to the different filling stations herewith named.

Danville gasoline never varies—quality remains the same--stick to it and you will have to make no change in your carburetor.

Danville gas vaporizes to the last drop —developing the full energy and power of your motor. Stick to it and it will be money in your own pocket.

She took my candy and my books.
She took that lustrous wrap of fur,
She took those slaves I bought for her.
She took my words of love and care,

She took my time for quite awhile.
She took my kisses, maid so shy—
She took, I must confess, my eye.
She took whatever I would buy,
And then she took another guy.

TOUCH-D-OWN!

THE CRASH of the lines—the halfback knifes through—the goal posts beckon—but tacklers threaten still.

That's the time for interference—for the diving smash that crumples the would-be tackler, and clears the field for the flashing runner with the ball. The stands rock with the shout of victory. Touchdown!

Election to the annual staff is only reaching the line of scrimmage. Your task has just begun. Burly figures stud the field to trip you, smother you, drag you down. Problems, tangles, discouragements! —but the goal can be reached—if you have good interference.

That's our job. You take the ball—we'll take out the tacklers. And we'll stay with you till the last white line is crossed and the crowd is hitching your name to a booming skyrocket.

Put Stafford on the team. Call 'em, quarterback. Let's go.

OUT OF LUCK

He looked at her longingly and passionately. He was young, handsome, debonair, and a clean, white collar sat upon his strongly-molded neck. His hair was perfectly parted in two patent-leather folds. She was adorable from her silk clad ankles to her extravagant marcel. Every line of her young body showed cleanly through her apparel. They were perfect mates. He sat on one side of the subway car and she sat on the other side. What a pity for convention to keep two such perfect things apart, for they can never speak to each other. They cannot even sit by each other. She cannot drop a handkerchief or a purse for him to pick up, for she has none. They can only stare adoringly at each other from the opposite sides of the car, for he is an Arrow Collar Man and she a Tuxite Hosiery Beauty.

YOUR SUCCESS

is the factor that has given you concern in your high school work. If you had not been concerned about the success of your efforts, you would not now be a member of the graduating class.

While your concern about your work was important in the past, it is even more important now—it will be more important each succeeding day.

WHAT ARE YOUR PLANS? If you are planning to enter the business world you should try to be a specialist. Brown's Business College has courses specially selected for those wishing to take more work in Accounting, Secretarial Duties, Filing and Office Practice. Ask for our catalog.

One Ford car with a piston ring,
Two real wheels, one front spring,
Has no fenders, seat or plank,
Burns lots of gas, hard to crank,
Carburetor busted half way thru,
Engine missing, hits on two,
Three years old, four in the spring,
Has shock absorbers 'n everything.
Radiator busted, sure does leak,
Differential dry, you can hear it squeak,
Ten spokes missing, front all bent,
Tires blowed out, aren't worth a cent.
Got lots of speed, will run like the deuce,
Burns either gas or tobacco juice,
Tires all off, been run on the rim,
A darn good Ford for the shape it's in.

If two red lips were upturned to your own
With no one to gossip about it;
Would you pray for endurance to let them alone?
Maybe you would—but I doubt it.

And in her half-closed eyes there gleams

She is—my Persian Cat.

Backsliders?

An Irishman went into a church and fell asleep. The sexton aroused him and told him he was closing up.

"What do you mean?" said the Irishman. "The cathedral never closes."

"This is not the cathedral," said the sexton. "This is a Presbyterian church."

The Irishman looked around him. On the walls were paintings of the Apostles.

"Isn't that St. Luke over there?" he inquired.

"It is," said the sexton.

"And St. Mark just beyond him?"

"Yes."

"And St. Thomas further on?"

"Yes."

"Tell me," he said, "since when did they all become Presbyterians?"

Ouch!

"You seem to hate that fellow Smith," said Brown. "What is the trouble between you and him?"

"I introduced him to my wife the other day," replied Jones, "and the gabby boob had to say: 'Why, I thought that the lady you were with in New York was your wife'."

The Storm

"A flirt, am I?" exclaimed Mary Ann, under notice to go. "Well I knows them as flirt more than I do, and with less excuse." She shot a spiteful look at her mistress, and added, "I'm better looking than you. More handsome. How do I know? Your husband told me so."

"That will do," said her mistress frigidly.

"But I ain't finished yet," retorted Mary Ann, "I can give a better kiss than you. Want to know who told me that, ma'am?"

"No, it wasn't your 'usband this time," said Mary Ann. "It was your chauffeur."

THINGS WORTH WHILE

Don't ask, "Has the world been a friend to me?"
But, "Have I to the world been true?"
'Tis not what you get, but what you give,
That makes life worth while to you.
'Tis the kind word said to the little child
As you wiped its tears away,
And the smile you brought to some careworn face,
That really lights up your day.

'Tis the hand you clasp with an honest grasp
That gives you a hearty thrill;
'Tis the good you pour into other lives
That comes back your own to fill.
'Tis the dregs you drain from another's cup
That makes your own seem sweet,
And the hours you give to your fellowman
That make your life complete.

'Tis the burdens you help another bear
That make your own seem light.
'Tis the dangers seen for another's feet
That show you the path to right.
'Tis the good you do each passing day
With a heart sincere and true—
For through giving the world your very best
Its best will return to you.

A little more kindness and a little less creed;
A little more giving and a little less greed;
A little more smile and a little less frown;
A little less kicking a man when he's down;
A little more "we" and a little less "I";
A little more laugh and a little less cry;
A little more flowers on the pathway of Life;
And fewer on graves at the end of the strife.

During all the years since time began,
Today has been the friend of man;
But in his blindness and his sorrow
He looks to yesterday and tomorrow.
Forget past trials and your sorrow.
There was, but is, no yesterdays.
And there may be no tomorrow.

Natural Supposition

"Caterpillars are the most voracious of all living creatures," said a naturalist. "In a month a caterpillar will eat about 600 times its weight."

Whereupon an old lady who was somewhat deaf, interposed:

"Whose boy did you say he was?"
